

Oberstdorf Shorttrack Summercamp 2022

Bulletin no. 20

Wednesday 3 August 2022

Recreational Event Information

The Recreational Event this year is Tubing in the Audi Ski Jump Arena on Thursday 4 August. For this Event every training group will go with their own trainer to the Arena at a fixed time schedule. Don't forget to bring your Entry ticket and your helmet! Please read this bulletin carefully.

- Address:** Audi Arena, Am Faltenbach 27, 87561 Oberstdorf.
(Walking time from Ice rink to Ski Jump is 15 minutes).
- Parking at Arena:** There are only a few parking places; better to go walking.
- Ticket for Entry:** All skaters have received a ticket for entering the stadium, called Audi Arena Thursday. It is not possible to buy extra tickets for family members for the Tubing.
- Skaters Entry:** Skaters do NOT enter the building. The coach will collect outside the skaters tickets and hand them over to the office. After this all skaters go together in one group into the stadium through the side gate left of the building entrance.
- Tickets for parents:** AFTER the skaters have entered the stadium, family (who wants to see the Tubing) can go into the building and buy tickets at a special discount price of 4,00 euro. With this ticket you are allowed into the stadium, go up with the elevator to the top and can also go into the museum. From almost every position you can see the skaters busy with Tubing. Tell the Lady at the ticket desk that you are from the Summercamp and that your children are Tubing.
- Junior-D/E/F:** For the youngest groups we need some volunteers to go with the coach into the stadium and help the kids to bring the Tubes over the stairs to the top.
- Attention:** Everybody must be at the entrance of the stadium ready 20 minutes before the start!
- Helmet:** Skaters have to wear a cycling or shorttrack helmet while Tubing!
- Time Schedule:** The Time Schedule will be published later tonight. Do not come too late as you only have 50 minutes for the Tubing.
