

14th edition

Invitation & announcement

Oberstdorf Shorttrack Summercamp

2 - 9 August 2025

From 2-9 August 2025 the 14th edition of the Oberstdorf Shorttrack Summercamp is held in Oberstdorf-Germany. Over 100 hours Ice time, Welcome Party, Mountain Run, Biathlon, Recreational Events, technical Clinics, 2-days Shorttrack competition and Closing Dinner with award presentation will make it a wonderful shorttrack week for all attendents. For the Oberstdorf Shorttrack Summercamp skaters from all over the world are invited. The Summercamp is organized by the volunteers of Shorttrackonline.info, the Amsterdam Skating Club Jaap Eden and the Eissport Club Oberstdorf supported by the Sports Office of Oberstdorf.

Participation

Participation in the summercamp and shorttrack competition is open to all age categories. All skaters must be a member of a club affiliated to their National Skating Association (member of the ISU) in their own country and have a licence/insurance for the coming season.

Recreational Participants

Family and accompanying friends can also take part in the Off-Ice events in a recreational classification at own risk and responsibility.

Support of parents and family

Parents and family are requested to support with help during all activities and events which will take place during the week.

Website & News-bulletins

All information will be available on www.skatingonline.info. Besides this a special Mobile Website will give urgent messages and the daily program. Please put Mobile website now on your phone for messages.

Helpdesk

The Summercamp helpdesk is situated in the office of the Eissportclub Oberstdorf at the Ice rink. The opening times will be published later.

Meals at ice rink-restaurant "Zoran".

The Ice rink restaurant will serve meals during the summercamp at a special discount price. Information will follow later.

Organizer:	The summercamp is organized by volunteers of Shorttrackonline.info, the Amsterdam Skating Club Jaap Eden and the Eissport Club Oberstdorf with support of the Sports Office of City of Oberstdorf.					
Venue:	The Shorttrack competition is held over 2 days as an integral part of the Oberstdorf Shorttrack Summercamp and will take place at the ice rink of the Eissport Zentrum Oberstdorf which is 60x30 meter and has a safety padding of international standard.					
Regulations:	The shorttrack competition will be held in accordance with the 2024 ISU Regulations and relevant ISU Communications.					
Categories/distances:	Junior-F	1st of July 2025	under 9	333/500m	Junior-B	1st of July 2025 15/16 500/1000m
	Junior-E	1st of July 2025	09 /10	333/500m	Junior-A	1st of July 2025 17/8 500/1000m
	Junior-D	1st of July 2025	11/12	333/500m	Senior	1st of July 2025 19+ 500/1000m
	Junior-C	1st of July 2025	13/14	500/1000m	Masters	1st of July 2025 40+ 500/1000m
Classification:	In the shorttrack competition the skaters will be classified according to the number of points awarded in the finals only. There will be an overall individual classification over all distances. In the case of ties, the results of the longer distance will decide between the skaters.					
Awards:	Prizes will be awarded for the Overall classification of the Mountain Run, Biathlon and Shorttrack competition TOGETHER for the first five skaters in each category.					
Liability:	In accordance with the ISU rules, the organizers accept no liability for injury or damage sustained by competitors, recreational participants, public and/or officials during all training sessions and events of the summercamp. The summercamp, competition programme and announcement are tentative and if necessary subject to change. Corona measures could also causing changes!					
Tickets:	All entered skaters get free tickets for the Welcome Party, Mountain Run Lunch, Sportive Recreational Event , Closing Dinner and for a nice memento.					
Extra tickets:	Family and accompanying friends of the skaters can join in the recreational events (not the short-track competition) and can buy extra meal-tickets at a special discount price.					
Clinics:	Clinics will be held during the week for beginning officials for general / starter / administration and referee. Names of people interested in doing this can be registered on the Questionnaire form.					
Entry:	Entry must be done by the club-representative or by National Federations with the club-password on the Entry page of www.shorttrackonline.info before 7July 2025.					
Questionnaire form:	All skaters have to fill in a special Questionnaire form as a final Entry and reservation for all activities and meal-tickets. This form can be filled in on the website www.Skatingonline.info on the page INFO - ENTRY PROCEDURE . A special password to enter this page will be given to all skaters via a separate message to the club-secretary. We request all skaters to fill in this form as quick as possible.					
Entry fee:	The entry-fee for the Summercamp, including the shorttrack competition, is 315 euro per person. Entry after 15th of July entry fee is 10,00 euro higher.The Entry fee for the summercamp, including the shorttrack competition and extra mealtickets, can be paid by bank-account. Information about the procedure will be given in the Questionnaire form which will be published on the website www.Skatingonline.info .					

Please pay attention to the following

- it is the intention that all skaters who enter for the summercamp will participate in **all events**
- skaters will be placed into training groups based on level and age (give special requests at entry-form)
- it is not allowed to change training session or group without permission of the Organising Committee.
- all skating participants must have basic competition experience on ice
- during the training sessions the equipment of all skaters must be according to the ISU rules
- for inline activities helmet, gloves and kneepads are obligatory
- before the 1st session the safety padding must be put on the ice by all skaters supported by parents
- after the last training session the safety padding must be taken off the ice by all skaters supported by parents
- during the shorttrack competition all skaters will stay on the ice for one more race to serve as track-steward.
- at the Recreational events Juniors-DEF must be guided for by the club/team officials or parents.

Clinic for officials

During the Summercamp clinics will be held for beginning Starters, Referees, Competitors Stewards and Manual Time keepers free of charge. People who are interested can enter for this on the special Questionnaire form.

Oberstdorf is the most southern city of Germany located in the Algäu Region of the Bavarian Alps. The city located at the foot of the Nebelhorn and Fellhorn mountain has 9000 inhabitants and is at an altitude of 813 metres. Public transport in the village is free.

Oberstdorf is famous for its beautiful surroundings, cheap holiday apartments, mountain bike and cycling tracks, a perfect inline-track and Olympic Sport Centre with three top-quality ice rinks. As Oberstdorf is also an Olympic training centre everybody and everything is focussed on serving athletes.

Most famous is the Ski Jumping Stadium with its annual competition at New Year, an international Figure Skating competition for the Nebelhorn Trophy and the Figure skating show which is held every year at Christmas and is televised around the world.
