

Oberstdorf Shorttrack Summercamp 2026

Bulletin no. 15

5 August 2026

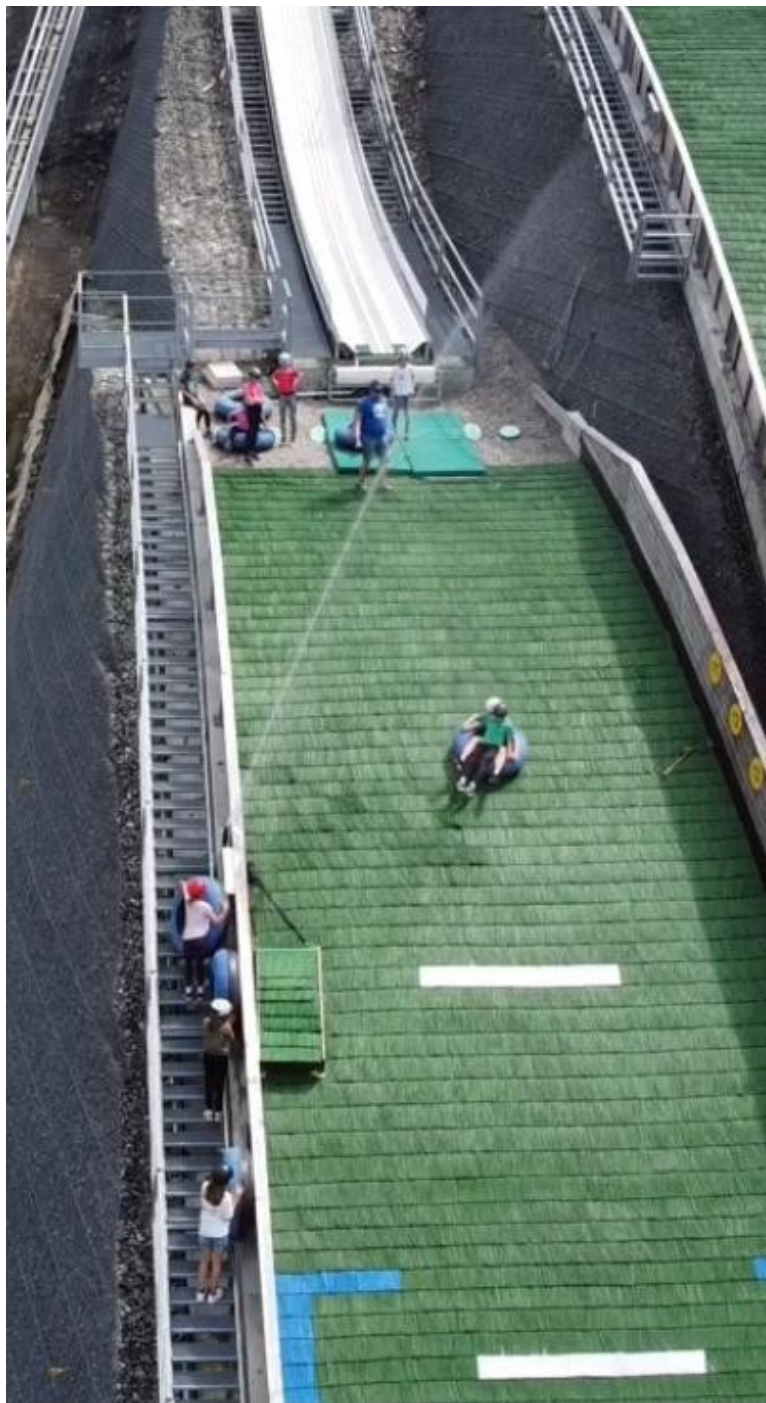

Tubing on Thursday 6 August 2026

The large Schattenbergschanze in the World Championships Ski Jumping Arena Oberstdorf is one of the most important Ski Jump Hills in the World. With a height of 140 meter it attracts over 40.000 spectators every year for the opening competition of the Four Hills Tournament in the Christmas holidays. And we use this Ski Jump for the Oberstdorf Shorttrack Summercamp to have our skaters do **TUBING!** On Thursday all training-groups will go to the Ski Jump Arena in a fixed time-schedule to have an hour of speed, excitement and great fun. The time schedule for every group can be found on the Mobile App.

Sight seeing for family

While the skaters are tubing family and friends can buy a ticket at a special discount price of 6 euro to visit the Ski Jump and go with the elevator to the top and enjoy the beautiful panorama. From almost every position you can see the skaters busy with Tubing. With this ticket you are also allowed into the Ski Jump museum.

Address of the Ski Jump

Orlen Arena
Am Faltenbach 27
87561 Oberstdorf

There are only a few parking places available; better is to go walking.

Although the distance is not far from the Ice rink you have to walk uphill what will take around 15 to 20 minutes.

Skaters have to wear their helmets, visors are not necessary.

Volunteers to help

For the youngest groups we need some strong volunteers to help the kids with bringing the tubes over the stairs to the top of the Ski Jump.

If you are available to help, then inform the coach of the group of your kids.
